VERSION OF THE TURKS

Checkib Bey Receives Report From His Government.

REVOLVER WAS SHOT

Party Discharging Firearm Carried Out a Custom That Is Prevalent After a Marriage Service Has Been Performed.

Washington, Sept. 2.—Checkib Bey, the Turkish minister, has received from the minister of foreign affairs at Constantinople a dispatch giving the Turkish version of the reported attempt on the life of United States Vice Consul Magelssen at Beirut. After declaring that the report of the assassination of Mr. Magelssen was absolutely false the dispatch gives a version of the affair practically the same as has been told before in the dispatches from Turkey. It says that the pistol was fired by a man returning from a marriage fete, that the shot was fired in the air and that it happened just as Mr. Magelssen was passing in his carriage. This, the dispatch says, led the vice consul to believe that an attempt had been made against his life. The man who did the shooting has been delivered to the authorities. Checkib Bey's dispatch also asserts that order and tranquility prevail at Beirut. The information contained in the cablegram has been furnished to United States Minister Leishman at Constantinople by the Turkish minister of foreign affairs and to Secretary Hay by the Turkish minister here.

NEGRO TEACHER SHOT

Loses His Life While Going Home on Horseback.

HE WAS A PRINCIPAL

It Is Claimed That the Dead Party Had Recently Been Making Incendiary Speeches to Members of His Race.

Memphis, Sept. 2.—A special to the Commercial-Appeal from New Roads, La., gives further particulars regarding the assassination of L. A. Planving, the negro educator, near Oscar, La., Sunday night by unknown persons.

Planving was principal of the Pointe Coupee Industrial college, an institution for the education of negroes. While on his way home Sunday night on the main road near False river he was fired upon from a cotton field. The first shot struck the horse which the negro was riding and the second struck Planving in the back of the head, penetrating the brain and causing instant death.

It is claimed that Planving has recently been making incendiary speeches to the negroes of the community, advising them not to work for or to have anything to do with white people, and it is believed these alleged utterances had much to do with the assassination.

Booker T. Washington was to have visited this vicinity next month as the guest of Planving and deliver a series of lectures.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expand the nerves of the stomach, thus causing the glands to secrete mucus instead of the juice of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
